

Ron JCBA Hall of Fame Submission

I have been bowling continuously in league since 1978. I first started bowling at the Center Lanes at the Newton Shopping Center with the Laneblazers in the Maytag League. After 39 years I am still bowling under the same name, with several changes in personnel over the years.

After Center Lanes closed the team moved to Cardinal Lanes, bowling there until they went out of business. The team now bowls at Mustang Lanes in Monroe. I have bowled with my father and brother in the Colfax Merchants League on and off over a few years until my father passed away. I have bowled in Mixed Leagues, Traveling Leagues, Elks Traveling Tournaments, and several other 4 and 5 person leagues over the years.

I served as Secretary/Treasurer of the Maytag League for 8 years.

I have been on the Jasper County Bowling Association as a Director serving on several committees. I served as President of the Association and am now enjoy Past President status on the board.

Bowling Achievements
