

Hall of Fame

A total of 80 past and present bowlers have been elected to the Ames Area USBC Hall of Fame. To be eligible for election, a bowler must have been a member of the association for seven or more years and must prove outstanding in one or more ways- leadership, promotion, organization, deeds of good will or bowling skill.

Association members are encouraged to nominate bowlers. To nominate, a member must present a letter of nomination containing the nominee's name and reasons for nomination to the association manager by November 1.

All nominations go to the Hall of Fame committee and the committee selects those candidates whose credentials are considered most outstanding. These selections are presented to the association's board of directors. A vote of 75% of the board is needed to elect a new Hall of Fame member.

Male and female candidates may be nominated in any of the following four categories: (1) Bowling Skills, (2) Meritorious Service, or (3) Posthumous.

Starting with the 2013-14 Hall of Fame, we will no longer be separating male and female nominations.
