Dear Friends,

I want to let you know that you have helped a wounded combat Veteran. Thank you. And thank you for the generous contribution to Puppy Jake Foundation.

We are proud to share because of supporters like you, we have placed twenty-five service dogs with a wounded Veteran, and they are doing great as new teams. These heroes are now coaching their kid's sports, having date nights with their spouses and establishing more independence since returning from military conflict.

Your financial support assists PJF in raising well-bred and professionally trained service dogs. We continue to add puppies to our training program, and this would not be possible without giving people like you.

Puppy Jake Foundation relies on the generosity of individuals, corporations and Foundations to help fund veterinary care, food, training for the dogs and placement camps with the Veterans and their new service dogs.

Thank you once again for your financial support of Puppy Jake Foundation, as we strive to make a positive difference in the lives of Veterans that have given so much for our freedom and country. Be sure to say "Hello" when you see the dogs in the red vest around town!

With my sincere thanks,

Becky Beach and Puppy Jake
