**2018**

It is with great pleasure that we induct Carolynn Lee into the Iowa State USBC Women's Bowling Association Hall of Fame for her Meritorious Service.

Carolynn came to Iowa from her home state of Montana bringing with her years of service to her fellow bowlers there.

Her service to bowling is extensive starting in Iowa by serving her local association, the Burlington Women's Bowling Assn., and attending the Iowa Women's Bowling Assn. annual meeting as a Burlington delegate for seven years.

During the 1998 IWBA State Tournament, Carolynn helped at the Doubles and Singles center.

In 2006, Carolynn was elected to the newly formed Iowa State USBC Women's Bowling Assn., Inc. as a director. She fulfilled the duties of this position for ten years by serving on all committees.

Until the recent merger, she served as a director and the association manager of the Burlington USBC WBA. Previously she held the offices of Youth League Advisor/Supervisor, 1st Vice President and Assistant Secretary-Treasurer.

Carolynn provided valuable advice to the Iowa State USBC WBA in the purchase of all needed insurance coverage; the field in which Carolynn has been employed for many years.

The Iowa State USBC WBA Outstanding Local Association Manager Award was presented to Carolynn in 2015 and she was honored with the 2017 Above and Beyond Award.

She continues her service by collecting entries for the annual BVL and Bowl for the Cure tournaments and serves as Secretary-Treasurer of the Iowa Women Bowling Writers. She is also a certified Level 1 coach, and is a Registered Volunteer Program participant. She coordinated youth Pepsi tournament participants as well as bowlers for the annual state youth tournament.

She is a member of the Burlington Hall of Fame and has received their Merit Award. Carolynn was recently honored with the 2017 Outstanding Service Award by the Burlington Area USBC BA.

Carolynn always considered all bowlers in decision-making for administrative policy, financial budgets and in making selections for honor awards.

Carolynn's family includes her two sons, her grandson, her sister, and many in her bowling family.

Please join us as we honor and thank Carolynn Lee for her years of service to bowling, both on her local level and for the Iowa Women's Bowling Assn., Inc. and the Iowa State USBC Women's Bowling Assn., Inc.
