Dan has two children (Dawn&Scott) both married. He has six grandchildren. When each grandchild was born Dan bowled an honor score within days of their birth. Each grand child received that ring. Dan's dad got him into bowling. In his first year he averaged 159. By 1990 he had an average over 200. His highest average was 221 in 1997.

His first honor score was at Jubilee Lanes (300) on the first night of the Season. That was when he was throwing a back up ball. After that he started bowling with a natural hook and has thrown 2 800's, 13 300's, 2 299's, 3 298,s and many 11 in a row awards In 1992 Dan rolled 30 700's during the season. Dan was inducted into the Cedar Rapids Bowling Association Hall of Fame in 1994. Dan received the Frank Stanek Award from the Cedar Rapids Bowling Association

in 1990.

Dan enjoys the game of Bowling and the friendships he has made. He considers himself very lucky to have Bowled with and against many outstanding Bowlers. Since he is lefthanded lots of his buddies feel that he gets all the breaks. However when they say that it would only take five minutes to switch, no one has done so. Every year Dan attempts to go to at least three Association Annual Mettings plus the CRUSBC Annual Meeting. Bowling is part of his life and giving back to Bowlers in whatever way he can makes the game wonderful.

With all that Dan has for the sport of Bowling we feel Dan would be a good candidate for the Iowa State Hall of Fame.
