## 57th ANNUAL FAMILY DOUBLES TOURNAMENT OFFICIAL RULES

1. Due to the USBC rule change in membership for our 18-year-old bowlers who are still in high school and bowling in a youth/adult league with their peers the following is a new rule in effect for those bowlers:

An 18-year-old who is certified AND still in high school and is bowling in a youth/adult certified league will be able to bowl with any adult who is over the age of 25 as of August 1 of the current bowling season. They will, however, NOT be able to bowl with anyone younger than them as an adult.

Please also understand that for parents/sub-parents bowling in this tournament they do not have to be safe sport certified. However, it is recommended the 18-year-old-bowler have Safesport training.

2. **USBC Youth members may enter the tournament with their Father, Stepfather and Male Guardian and with their Mother, Stepmother and female Guardian.** If all youth members of a family are of the same gender, then the adult members of that family may bowl with youth bowlers of the opposite gender from one other family. NO ONE under suspension from the USBC may compete in this tournament. Rule 301c - 1 will apply on local level only (the adult score may be used for multiple children).

3. **Re-entries will be allowed on local level only. Advancement is limited to once per team.**

4. If a USBC Youth member's parents do not bowl, are physically unable to bowl, are deceased or reside in another state or country (including armed forces), then and only then, may that child enter with a substitute parent. If one of the parents bowl and the other does not, the child may enter with the parent who does bowl when entering that classification and may also enter with a substitute parent per rules 1 & 3, in the other classification.

5. A substitute parent is an adult who is 25 years of age or older on August 1, of the current season. If all youth members of the family are of the same gender, then the sub-parent may bowl with youth bowlers of the opposite gender from one family.

6. USBC youth bowlers must be members of an Iowa USBC Youth Assoc. certified league and MUST BOWL IN THEIR PROPER AGE DIVISION. Entrants bowling in wrong age division WILL BE DISQUALIFIED. Each doubles entry will bowl 3 games in the division of the USBC youth member in the center where the USBC youth member bowls. If the USBC youth member bowls in more than one center in a certified league, choice MUST be made prior to participation for each classification. The same pair who qualify locally must bowl together in the District Round and in the State Finals.

7. Tardy members will be permitted to bowl in accordance with certified Tournament Rule #322a.

8. Squads may be added or deleted at the discretion of the tournament director but no shifts may be added after the start of the last scheduled squad.

9. When physically/mentally challenged bowlers are entered in the tournament, the Tournament Director is AUTHORIZED to modify the playing rules at his/her discretion. Please designate on the entry form any special needs.

10. Adults use highest certified league average as of end of the previous season with a minimum of 21 games. If no previous season average, use current average at the time of participation, minimum 3 sessions. *Non-certified* bowlers will have to pay either a \$5.00 fee for one-time participation or purchase a USBC *associate membership* of \$21.00. *Bowlers not qualifying with an acceptable certified average under tournament average requirements must bowl with an assigned average minimum 150 for women and 170 for men USBC Rule 319b). Rule 319 a #2 and Rule 319d will not apply. Rule 319 a 3 will apply (bowler is responsible for verifying their average).*

The tournament director (whether local, district or state) has the right to re-rate up or down any bowler without a certified average from the previous year based on previous USBC certified averages or previous tournament performance. For example: If you come into tournament with a 150 or 170 average, and you don't have an average for the previous season but there is a composite average on Bowl.com, you will use the composite average listed on Bowl.com. Or if you bowled in last years Family Doubles tournament, you will use the average of those games bowled in District or District & State competitions.

11. USBC youth certified bowlers use highest USBC average of the previous season minimum 21 games. If no previous season average use highest USBC average at time of participation, minimum 3 sessions. If no established average, USBC youth members will be eligible to enter at a 100 average for Bantam, 125 average for Prep, 150 average for Juniors, and 175 average for Major-Senior. If bowling in more than one classification use the same average as used in first qualifying session. *Rule 319 a-3 will apply (bowler is responsible for verifying their average).*

12. Handicap will be 90% of 450 scratch per team.

13A. One 1st place award per couple will be awarded to District Winners at the State Finals.

13B. A \$300.00 scholarship and a plaque will be awarded to State Winners and medals to additional places in a 1 for every 5 entries or any fraction thereafter to the state finalists. \$150.00 scholarships will be awarded to second place finishers in each division.
