

57th ANNUAL FAMILY DOUBLES TOURNAMENT INFORMATION SHEET
ATTENTION: TOURNAMENT DIRECTORS
(Tournament sanction # 4142)

It is the responsibility of the Tournament Director on the local level to see that this tournament is conducted according to the rules to prevent any disqualifications. Please read ALL the enclosed rules thoroughly and if you have any questions, contact the state office BEFORE starting your tournament.

This tournament is open to all USBC members that have paid National dues and who belong to an Iowa State USBC CERTIFIED league. You may run the tournament as a house tournament with scheduled times or as a walk-in tournament, but in NO case should participants keep their own score. **PLEASE PROVIDE SCORE MONITORS.**

ENTRY FORMS: PLEASE MAKE SURE ALL THE INFORMATION IS FILLED OUT AND IS LEGIBLE.
THE HARDEST THING TO READ IS THE HANDWRITING FOR THE BOWLERS.

REGULAR MIXED TOURNAMENT CERTIFYING: Non-certified adult bowlers must pay the \$5.00 fee for one-time participation (USBC). Bowlers not qualifying with an acceptable sanctioned average under tournament average requirements must bowl with an assigned average minimum 150 for women and 170 for men (USBC Rule 319b). A one-time participation fee form is enclosed to send along with your remittance.

Continuing this year! The tournament director (whether local, district or state) has the right to re-rate **up or down** any bowler without a certified average from the previous year based on previous USBC certified averages or previous tournament performance. For example: If you come into tournament with a 150 or 170 average, and you don't have an average for the previous season but there is a composite average on Bowl.com, you will use the composite average listed on Bowl.com. Or if you bowled in last years Family Doubles tournament, you will use the average of those games bowled in District or District & State competitions.

AVERAGES: Please make sure for some of the women who have averages in both women's and men's leagues, that they use the HIGHEST USBC average of the leagues they bowl in.

LOCAL QUALIFYING ROUND: Entries open October 1 and close midnight October 16, 2022. All divisions must bowl 3 games. If the USBC members bowl in more than one center, he/she must make a choice for each classification he/she enters. Parents may bowl once and have the score count toward all the children but they must make that decision **before** bowling with the first child. The \$8.00 fee per child is still required. **ALL PAPERWORK FOR ALL BOWLING COUPLES MUST BE SENT IN, NOT JUST THE ONES ADVANCING!!!**

Keep in mind the proprietor may set up shifts after school, weekends, evenings, etc. This tournament is not limited to JUST weekends. The local qualifying round is set by the local association or the participating center. It can be all three weekends or just one of the weekends. Please check with your local centers.

HANDICAP CHARTS: Please throw away any previous handicap charts you may have. The chart included is for this year and is for 3 games.

TIMES TO BOWL FOR DISTRICT: Each form is marked with Saturday AM & PM, Sunday AM & PM. Please be advised that not all districts have the need for that many shifts. Please check with your district director about what times will most likely be available. Those people advancing should have this section marked. If it is not marked, district directors will assume there is no preference and just assign a shift to them!

Cost: Local bowling fees **plus** \$8.00 per couple for Iowa State USBC Youth expenses. Winners in EACH division AND classification will advance to the District even on a ratio of 1 for every 3 entries OR any fraction thereafter. Winners will be notified by the District Director of their time to bowl at the District level.

The tournament director is responsible for checking averages and scores **AND** signing the forms and adding an email.

FOLLOWING LOCAL COMPETITION: Entries close midnight, October 16, 2022. Put ALL ENTRIES (winners and non-winners) in Classifications (Father/Son, Mother/Son, Father/Daughter and Mother/Daughter). Then put in Divisions (Bantam ages up to 8, Prep ages 9 - 11, Junior ages 12 - 14, Major-Senior ages 15 & above). Make sure all local scores are entered on the entry form along with times that participants CAN bowl district event. Put all entries in numerical order with high scores on top. Mark an X in the advancing box in the top right-hand corner of the entry forms. Please put SCORE SHEETS in the same order. **DO NOT STAPLE!**

Advance 1 for every 3 entries or any number thereafter in EACH division and classification. If there are any ties, please write tie on the entry form. All ties count as one, so if you have a tie for any position advancing you would advance both entries. If a winning couple is unable to bowl in the District round, the next in line is eligible to advance in their place. DO NOT advance any USBC bowler in the wrong age division as they WILL NOT BE READJUSTED, THEY WILL BE DISQUALIFIED.

Enclose your remittance: \$8.00 for every couple who participated in the local qualifying round, PLUS \$20.00 for each couple advancing to District. Make remittance in the form of a money order, bank draft, or cashier's check.

WE WILL NOT ACCEPT PERSONAL CHECKS!
