| 1. | Bowling Ability (Boy)        | 2. | Bowling Ability (Girl) |
| 3. | Local Association Leadership |    |                        |

This award is split into three categories which are listed above. Theoretically, we can give up to four "Bowler of the Year" awards each year. We would hope that each nominee is put in for just one award each year. Along with being named a "Bowler of the Year" winner, each person will get their name on the "Bowler of the Year" plaque (under the category they won) and a \$400 scholarship which will be put into the SMART fund in their name by the Iowa State USBC YA.

An individual can only win in one category per year and can win only once in each category during their youth career. *If there are four or more entries into the "Local Association Leadership" categories, we will award two for any given year.*

Each category has separate sheets to send in (please look at those sheets carefully). Each category has its own requirements. Please fill in all the information as thoroughly as possible. Remember each nominee in each category will be judged against those in that category so the more information you have available the easier it is to judge the applications.

*All information must be filled out completely and for each category the nominating person will be asked to attach a separate sheet telling us about the personality and dedication to the sport of youth bowling.*

Youth who win the awards will also be invited to the Iowa State USBC convention for recognition the following spring. They will be notified of the date and time.

We do understand that a lot of our USBC youth bowlers also bowl in high school teams, please keep in mind that for the Iowa State USBC "Bowler of the Year" awards, points are given based on local and State USBC youth events. Awards are given to the youth bowler earning the most points.

*We would also encourage that NO PARENT(S) fill out nomination forms for their own bowling children.* It is hard to read a great nomination and find at the end that it is being submitted by their parents. If parents think their child is worthy, then other people will also agree. Please have someone from your local association put them in for an award.
