A bowler may move from scratch to a handicap division if their partner or partners in team and/or doubles are not able to compete in the scratch division. Original entrants may not change division after closing date.
Explanation: If a 200 average bowler is bowling with a 150 average partner in doubles their combined average is 350. They may make a choice to either bowl scratch or in the handicap division that their combined average is in. The same for team event, the team can enter the division according to their team average or enter scratch.
6. Handicap will be 90% of the difference between team average and 840. Doubles - between 2 bowlers average and 420. Singles - between bowler's average and 210. Handicap will be figured by the tournament director.
7. Bowlers will bowl 3 games in each event. Multiple participation in team and doubles is allowed in a substitute situation only. A bowler may enter singles only once. If entered in Doubles, must enter Singles. If entered in Singles, must enter in Doubles. First time bowling in each event will be used for all events.
8. 2 hours and 30 minutes are allotted per shift to bowl barring any mechanical failures. Frames remaining after the 2 hours & 30-minute time limit could result in 0's or may be resumed at the conclusion of the last shift of the day.
9. Substitutes may be used but must meet all the requirements in Rule #1. ALL ENTRANTS ARE RESPONSIBLE FOR BRINGING THEIR OWN SUBSTITUTES. IT IS NOT THE RESPONSIBILITY OF THE TOURNAMENT DIRECTOR OR HOST ASSOCIATION TO PROVIDE SUBSTITUTES.
10. A substitute must take the place of the absent bowler. No rearranging of lineup will be permitted. Once a substitute has checked in to bowl, he/she will complete the event.
11. In the event a bowler is injured or becomes ill in an event, they will receive zero for the frames missed. In the team event, if the team does not have a full roster when the event begins, Rule 322b will apply (youth tournaments only, prepaid team only, average less 10 pins for one bowler only).
12. If a substitute's average puts the entry into another division, it will be reclassified automatically.
13. Late bowlers will receive "0" for the frames missed per Rule #322a 1.
14. After entry form has been submitted to the Tournament Director, entrants CANNOT transfer to another team, or in any way rearrange line up or doubles partners, unless the team withdraws.
