

March 1, 2010  
Muscatine USBC, Inc.

We wish to submit Lisa Madsen for your consideration to the Muscatine USBC Hall of Fame.

Lisa and her husband Kevin came to Muscatine in 1993 and that is the first record for her averages in local average books. She was averaging 174 that season. Two seasons later, she was averaging 195. During the 96-97 bowling season, she posted what was her first 700 and high game that season was 277. From that season on, a 700 has been posted along with a couple of 287's. This season she has already rolled two 300's and her first 800 series - 811 for personal best (to date).

She has participated in five National WIBC tournaments and five or six Iowa State WBA tournaments. She supports the local championship tournaments and has participated in ten of the invitational Sweet Sixteen tournaments having won the title three times - 2000, 2004 & 2008.

She bowls in the Ladies Scratch league and Shirts and Skits where she is also league secretary. She has been working in our local youth bowling programs as her children are active in local youth bowling and now has a son to support as he grows into the High School Bowling program.

We feel that Lisa Madsen's accomplishments qualify her as a great candidate to be honored in the Hall of Fame. Thank you for consideration.
