To Whom it May Concern:

We respectfully submit Cathy Ribbink for consideration for the Muscatine USBC Hall of Fame under the category of Outstanding Achievement. Cathy has bowled in youth leagues in Muscatine for many years before joining the adult leagues where she has averaged in the 190s with her highest being a 192. She has bowled in various leagues, state tournaments and a few national tournaments over the years and currently bowls in the Women's Scratch league on Monday nights. Cathy was a member of the 2010 City Tournament Championship Team sponsored by Curves which she also probably provided the sponsorship for. Cathy was also the women's singles champion in the 2010 Iowa Women's State Tournament with a series of 791 and won the Women's Bowler of the Year for the 2015 City Tournament. Cathy has three 300 games to her credit, one in 2001, one in 2008 and one in the 2014/2015 season per the USBC website. Cathy has a high series of 791 which as noted above won her the single title in the 2010 State Tournament. Cathy also has two 11 in a row games for 299 and 290 games. Cathy also actively coaches youth bowlers in the peewee leagues and is also a member of the Youth Board.
