Please be thinking about getting a team ready for the City Tournament being held January 21st - 28th. Our hope is to revitalize the City Tournament and we need your help. We are trying to add some special things to the tournament as well. Registration forms are at the front desk and if you haven't bowled the city tournament before or for a while, we ask that you give it a try. It is our biggest tournament of the year and having everyone participate is our goal!

On behalf of the Muscatine USBC Board of Directors, we wish you and your family a very Merry Christmas!

Remember:

Christmas is not about what is under the tree - it is about the people around the tree...
