

To the nominating committee for Muscatine USBC Hall of Fame

We would like to submit an individual for consideration that we can track WinLab averages and achievements since 2001.

He has maintained a 200+ average while bowling in Muscatine. He earned the 11-in-a-row award three (3) times along with bowling five (5) 300 games and five (5) 800 series. He bowls in local tournaments and state championship tournaments. He has bowled in Bowler of the Year and now participated in the Senior Bowler of the Year. He won a local 600/700 tournament.

This will probably give it away (at least for him): He started bowling youth leagues in the early 70's and started bowling in adult leagues in 1979 in Maquoketa. He has bowled in the Muscatine Classic League since the 2001-2002 season and has served as its League President since 2007-08 season; he also organizes a golf outing for end of season celebration.

By now he knows who we are talking about!!!! We would like to submit Terry Thein for consideration to the Muscatine USBC Hall of Fame.
