#8 OTHER CONSIDERATION

This applicant was one of the top bowlers not only locally but in the state. Due to illness his bowling career was cut way to short. It shows when his last 800 series (866) was shot not to long before his illness took over. If it were possible he would still be completing not only on the local level but the state and national too.

#9 WHY BE CONSIDERED

This applicant has devoted his life to bowling and his love of the game carried over by serving the area for most of his life running a pro shop. He also created and sponsored a youth tournament during the holiday's that has going on for forty years. He also created a bowling program that allowed youth to "trade" in their equipment for new ones as they grew. He helped teach bowling classes and always had time to help. We cannot think of a more deserving man to be considered for the Iowa State Bowling Hall of Fame. Even though he has not able to bowl anymore he is the first one to offer help to others.
